

CHRISTIAN LEADERSHIP ALLIANCE
Annual Leadership and Management Conference for
Christian Organizations and Large Churches

CLA Atlanta 2009

PATH OF INTEGRITY

April 20-22, 2009

CALL FOR PRESENTATIONS!

You are invited to submit a workshop presentation proposal to CLA—or pass this information along to other qualified presenters.

Christian Leadership Alliance's annual leadership and management conference is designed to deliver practical and relevant information to those who are leading, governing and managing Christian organizations and large churches.

The best presenters are leaders and managers who have tested their ideas and insights against the everyday challenges of managing. When you share your expertise at CLA conferences, you help to equip leaders in CLA member organizations so ministries are led and managed in God-honoring ways.

IMPORTANT!

- ◆ Submitting a proposal does not mean that you will automatically be selected as a presenter. Less than 25 percent of the ideas submitted are used in the final program.
- ◆ All proposals will be evaluated in light of the course description, learning objectives, presenters' credentials and expertise, and the overall needs of the conference program.
- ◆ Attention: Exhibitors! *There is not an automatic link between being an exhibitor and presenting a workshop! We invite you to exhibit—because it makes good business sense. We also invite you to submit a workshop proposal.*
- ◆ If your proposal is selected, you will receive additional information about registration procedures. Workshop faculty members generally cover their own conference registration fees, travel and lodging expenses. Preference is usually given to individuals whose organizations or companies are members of CLA, or to marketplace individuals who are members of the CLA Christian Leadership Partners. (For information, go to CLA's website at www.ChristianLeadershipAlliance.com.)

Note: If several presenters will be involved, please include all names, addresses and biographical information on a separate sheet of paper.
